scottschulte7@gmail.com

609 Elmwood Pl. Unit C • Austin, TX 78705 • (830) 377-4267

EDUCATION

The University of Texas at Austin Bachelor of Science, Petroleum Engineering
Cumulative GPA: 3.67/4.00
Major GPA: 3.76
Anticipated Graduation: May 2019

EXPERIENCE

O'Brien Energy Company – *Production Engineering Intern*; Shreveport, LA May 2018 – August 2018

- Gained valuable hands-on field experience with production operations, including assisting pumpers with gauging tanks, catching and replacing plungers, re-packing stuffing boxes, fluid levels and dynamometer cards.
- Reviewed production and financial data of over 30 horizontal wells to develop a better understanding of 4 artificial lift methods and their applications.
- Developed and presented to management an optimal artificial lift plan, based on a production model and financial analysis, for future development in East Texas.

The University of Texas at Austin – *Petroleum and Geosystems Engineering Tutor*; Austin, TX September 2017 – December 2017

- Tutor students in two courses: Thermodynamics & Phase Behavior and Properties of Petroleum Fluids
- Up to 10 hours per week

Camp Longhorn Inks Lake – *Camp Counselor*; Burnet, TX Summers 2014 & 2015

- Responsible for a cabin of up to twelve campers for 3-week terms
- Taught ten activities daily such as sailing, swimming, water-skiing, and riflery

ACTIVITIES

Phi Gamma Delta (FIJI) Fraternity – *Round-Up Chair and Active Member* November 2015 - Present

- Planned, coordinated, and hosted FIJI's 2016 Round Up Philanthropy weekend, which hundreds of students attended

UT Study Abroad - *Dubrovnik and Zagreb, Croatia* Summer 2016

- Completed PGE310 – Formation and Solutions of Geosystems Engineering Problems at University of Zagreb (Grade: A)
- Attended interactive seminars at the Inter University Centre Dubrovnik on Future Hydrocarbon Exploration, Enhanced Oil Recovery, Natural Gas Market Development, and Reservoir Evaluation and Management
- Spent two weeks in each city experiencing the culture while attending class
- Visited offshore drilling platforms and national parks

Society of Petroleum Engineers (SPE) – *Active Member* 2015 - Present

American Legion Texas Boys' State Summer 2014

- Invitational educational program of government instruction
- Students experience duties and responsibilities of government by holding positions and running for office
- Elected State Representative and Party Delegate

HONORS

- Pi Epsilon Tau Petroleum Engineering Honor Society 2018, 2019
- Platt, Sparks & Associates Consulting Petroleum Engineers, Inc. Endowed Presidential Scholarship in PE 2017, 2018
- Texas Exes Stuart Delgado Scholarship 2016, 2017, 2018
- Petroleum Engineering Departmental Scholarship 2015, 2017
- Commended National Merit Scholar 2014
