TEXAS FIJI: NOT FOR COLLEGE DAYS ALONE CAMPAIGN TO END DECEMBER 31

Last Chance to Join in This Historic Campaign

The campaign for Texas Fiji is drawing to a close! We have raised \$5.34 million toward our \$5.5 million fundraising goal. Due to the support of numerous graduates, parents, and friends, the new addition is completed and is spectacular.

As we look back over the past three years as Texas Fiji's capital campaign chairmen, we have been not only impressed but inspired by the tireless work of our BCA, House Corporation, and campaign board. Coupled with that was the dedication and financial support of our graduates and undergraduates to secure a sound and safe fraternity house for members to live in during their college years. Truly, without the loyal support of our members who contributed dollars early on, the new addition wouldn't be possible. So, to the 30% of our membership that has already contributed or pledged to the capital campaign, we extend a hearty thank-you!

Though Construction Complete, Need to Reach \$5.5 Million
A major accomplishment has been achieved in this new addition thanks to

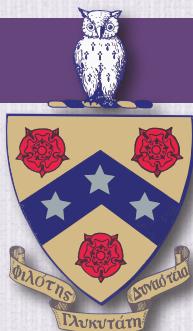

your contributions. While we surely have one of the nicest Greek facilities at Texas—if not the nicest, we want to ensure the Chapter maintains its success with the new addition and the overall facility. We cannot maintain our home if we do not have the finances in place to carry day-to-day operating costs and provide for our active Chapter.

Your Support Still Necessary

Pledges are still needed to cover the entire project cost. For those of you who have given generously, you have made our success possible. If you are able, please consider extending that pledge another year or making an additional contribution. For those of you who have not given, we appreciate any amount you feel you can give toward this massive project. Every dollar counts to help us complete our minimum fundraising goal of \$5.5 million.

Less Than \$200,000 Left to Fundraise

We have less than \$200,000 to go! The campaign is ending December 31, 2014.

TEXAS FIJI NEW ADDITION DEDICATION

Saturday, November 8

Please join your Texas Fiji brothers, both alumni and active, for the dedication of our new addition. This coincides with Homecoming and the Texas vs. West Virginia game.

Beginning three hours before kickoff, we will host a dedication ceremony prior to the pre-game tailgate. Make plans to attend this momentous occasion. We look forward to seeing you!

Make a pledge to the campaign today! Use the enclosed pledge form or use our convenient and safe online giving form: <http://texasfiji.kintera.org/campaign>.

New Addition Completed!

Alumni Support Needed for Final Phase

Brothers, it is your leadership and service that allowed Texas Fiji to open the new addition in September. We thank you for allowing us to achieve this goal through your support of more than \$5.34 million.

After another successful recruitment, the Chapter welcomed 54 new members from 16 different cities. By adding 22 rooms in the new addition, each pledge class is now able to live together at the Chapter House their junior year.

The new addition will also have ample room for events, study halls, and parties, which will take significant traffic and pressure off Buen Retiro. Plans are being developed for a much-needed remodel and facelift of Buen Retiro to start next summer. Your support is needed in this final phase. If you are able, please consider making a gift using the enclosed form.

BCA UPDATES

Marshall Merritt '79 stepped down as president of the Board of Chapter Advisors (BCA) in August. Marshall will continue to be involved in various capacities and deserves a hardy well done for his valiant efforts and significant accomplishments. We are thankful to Marshall and all the members of the BCA for their tireless work and wise counsel.

UPCOMING EVENTS

The BCA will continue its alumni tailgates this season. Join us two hours before each home game and reconnect with your Texas Fiji brothers. However, please note that we will not host tailgates before 11 a.m. games or the Thanksgiving game. Finally, everyone is invited to the unveiling and dedication of the new addition on November 8. We hope to see you there!

GTBO,

CAMPAIGN TO END DECEMBER 31

(Continued from page 1)

Time is almost up in helping out with this campaign. All donors pledging at least \$2,500 by December 31 will see their names on a permanent plaque displayed in the new addition. Remember, we have a five-year pledge program to stretch your gift to its full potential. Many of our Texas Fiji brothers have used this program to make a larger gift. Use the pledge form enclosed to make your gift or use our online giving form: <http://texasfiji.kintera.org/campaign>.

Thank you for your support. Please come to the Chapter House this fall to see your dollars at work. And make plans to attend the Chapter House dedication on November 8.

Texas Fiji Capital Campaign by the Numbers

Join Today!

We have been fascinated with numbers during this campaign. Some numbers you have seen before, such as our \$5.5 million campaign goal and the more than \$5.34 million we've raised to date. Others are interesting facts recently learned. Your campaign chairmen thought they would share some of these fun figures of the campaign.

1,987: Active Texas Fiji alumni that we have a current mailing address for.

681: The number of generous alumni, undergraduates, parents, and friends who have donated to our campaign. They comprise 586 graduates, 40 undergraduates, 38 parents, and 17 friends. Not to mention the undergraduate chapter as a whole pledged \$100,000 of their own money.

\$5,341,762: The amount donors have given to the campaign. Remember, pledges of \$2,500 and above will receive recognition on a donor plaque in the new addition. Also, additional pledges over \$25,000 can now be 100% tax deductible through the Phi Gamma Delta Foundation. All other pledges to the Purple Owl House Corporation, though not tax deductible, are greatly needed to minimize the debt on this project. If you haven't given, the time is now. If you have, consider an additional pledge and increase your overall giving.

\$3,425,703: The amount of pledges already paid. To help with cash flow for construction, a lot of donors paid their pledge early or front-loaded their pledge to help even more. If you are one of these donors, we sincerely thank you! If you are not, consider completing your pledge prior to December 31, 2014.

\$7,844: The average gift size to this campaign. Many donors have felt this is a very worthwhile campaign, much needed for Texas Fiji. Many know the \$2,500 threshold to get onto the donor plaque but feel their experience was worth far more than that.

\$41.67: Dollars per month for five years (a total of \$2,500) to have your name on a prominent, permanently displayed plaque in the chapter house,

in recognition of your leadership gift to this campaign. Pledges may be spread over a five-year period to help maximize your support.

While cash in hand is very important, so is cash flow over the next several years. Pledges are just as important in their own way.

98%: The percentage of all pledge classes with a living member that have at least one donor.

1954, 1955, 1974, 1976, 1978, 1979, 1983, 1989, 1992, 1994: The pledge classes with the highest giving percentages. The pledge class of 1954 leads the way with more than 81% of members giving to the campaign. Congratulations! Help your class increase its giving participation. A gift at any level will make an impact!

Below are the top three classes in each decade with the highest participation thus far. Do your part today with a pledge and honor your class's legacy!

UNDERGRADUATES HAVE GREAT START TO SCHOOL YEAR

- Recruitment Yielded 54 New Members
- Junior Pledge Class Moved into New Addition

I am glad to announce the start of another great year for Tau Deuteron. As we have entered the 2014-15 school year we know it will be an incredible year. It already started off very positive when our summer recruitment efforts brought in 54 new members.

SETTING HIGH STANDARDS

This year we will set the standard for the next several years. We are implementing new academic policies, revamping our philanthropic goals, and the first class to live in the new addition has moved in. The completion of Buen Fiesta looks to set a new tone in many aspects of Texas Fiji.

ACADEMICALLY STRONG

Tau Deuteron is redefining our academic priorities on a large scale. Last fall, our new members had the highest pledge class G.P.A. in recent memory due to an increase in proctored study hours and a heightened academic focus. This year, we hope to continue the trend with our actives by increasing their required study hall hours.

PHILANTHROPIC GOALS

Over the course of the school year, we also look to continue our philanthropic activity and provide service to the local community. Fiji's involvement with Reading ACES, Feed My People, Race for the Cure, Habitat for Humanity, and RAM Racing has demonstrated our love for

Brothers handed out water during a Ram Racing event as their first community service event this fall.

the community and willingness to give back. We also hope to work closer around the University providing cleanup for local areas.

EXCITEMENT AROUND NEW ADDITION

With the completion of the backhouse addition, we see a project nearly 20 years in the making finally come to fruition. It is an incredible new space that each and every Texas Fiji should be proud of. It will provide an amazing new social venue with limitless opportunities for study halls, functions, tailgates, and alumni gatherings. I, along with my pledge class, am so very thankful for all of the hard work that

alumni, parents, and friends have put in to allow us to be the first residents in the new building. To have over 600 active alumni donors is quite a feat for any organization. It is a testament that Texas Fiji continues to carry on the saying, "Not for college days alone."

Once again, thank you to everyone who helps make Fiji the best organization at UT, and I look forward to seeing you at tailgates this fall.

GTBO,

UT WALL OF FAME—FIJIS HAVE A STRONG PRESENCE IN INTRAMURALS

TEAM OF THE DECADE

PHI GAMMA DELTA INTRAMURALS

WINNING IN THE 1960s

NEXT PAGE

The legacy of The University of Texas' Phi Gamma Delta Fraternity (also known as the Fijis or Phi Gam) and intramurals dates back to the very first Wall of Fame photo board when it won the basketball championship in 1919-20. Over the ensuing decades, the Phi Gamma Delta Fraternity established itself as one of the most successful fraternities in terms of intramural championships. From those early teams in the 1920s to today's Fiji champions, the Phi Gams appear over 200 times in photos on the Wall of Fame. In the nearly 95-year history of Phi Gamma Delta competing in intramurals, the 1960s Fiji teams won 29 team championships while finishing as runner-up only four times. Read about some of the Fijis who contributed to those 29 championships and go online at friends.utrecsports.org/newsletter to see where they are today.

On www.utrecsportsmedia.org you can view photos of all intramural champions and runners-up for eons (since early 1900s) but particularly the late '50s, '60s, and '70s is where you'll find many Fiji teams and winners.

The UT Rec Sports Wall of Fame exists in Gregory Gymnasium for viewing. Fiji has historically done very well in intramural sports. In the fall 2013 issue of *Inside Rec Sports* magazine there is a two-page pictorial feature story titled "Phi Gamma Delta Intramurals – Winning In The '60s" with individual member profiles and classes. A link to the article online is here: http://friends.utrecsports.org/newsletter/fall_2013/fijis.html.

Another Exciting and Strong Pledge Class for Texas Fiji

Texas Fiji recruitment is now over and the 2014 pledge class is underway. The recruitment team worked very hard to get another great pledge class for Tau Deuteron. The 2014 pledge class consists of 54 young men from 16 cities and five states. It contains 19 high school honor roll students, four team captains, four national merit scholars, and one valedictorian. These young men have all proven they have what it takes to become a Texas Fiji, and we look forward to them joining the fraternity. The recruitment team would like to give a big thank-you to **Bobby Orr PC '75** and **Tom W. Shirley PC '78** for assisting us in this process.
