Texas Fiji Makes Numerous Scholarship Opportunities Available for Undergraduates

Texas Fiji has completed another successful recruitment season and welcomed 53 new members. Everyone involved should be extremely proud. We especially appreciate the alumni who contributed more than \$50,000 to the recruitment fund. Special thanks to **William Griffin PC '83** and **Robert Canon PC '72** for their leadership, and to **Harlan and Kathy Crow (Jack Crow PC '14)** for opening up their home for the Dallas fundraiser.

The active Chapter is enjoying its third year inside the new addition. Buen Fiesta houses 22 additional junior brothers as well as a majority of our events, which takes significant traffic and pressure off of Buen Retiro. Phase Two of a much-needed remodel and facelift of Buen Retiro began last summer; it is projected to take three summers to complete.

The Board of Chapter Advisors (BCA) consists of alumni from 13 pledge classes ranging from PC '52 to PC '08. New additions to the BCA are **Bobby Butchofsky PC '79** and **Scott Waltmon PC '83**. The BCA continues to encourage increased focus on Fiji rituals, philanthropy, and scholarship. Several awareness programs from IHQ, the University, and the Chapter have been/will be rolled out to better educate members of the dangers of hazing and alcohol and drug awareness.

BCA Finance Chairman **Mark Winter PC '79** has done an excellent job working with our business manager, **Betsy Clements**, who is responsible for improving systems, executing processes, and implementing financial safeguards. Betsy works directly with Chapter Treasurer **Ben Graber PC '14** to make sure the Chapter is fiscally responsible and adheres to its budget.

Texas Fiji is all about graduating from UT with excellence and making friends for life. It is well documented that the Chapter is significantly involved in important philanthropic causes. Last year, the Chapter gave generously of their time (approximately 800 hours) and resources (roughly \$50,000). We are excited to offer significant resources to our own. Texas Fiji has the opportunity to award seven leadership and/or academic awards annually. In total, more than \$85,000 was distributed to deserving Texas Fijis last year. The Fiji Scholarship Committee (FSC) announces the goal for 2016-17 is to exceed \$100,000 in distributions. Working with the FSC, several alumni have been extremely helpful in making new scholarship/loan opportunities available to Texas Fijis.

Home game tailgate gatherings at Buen Retiro continue to be a success, especially with this season's kickoff game against Notre Dame. The increase in attendance at these events is a testament to the strong connection between the Chapter and 2,500 alumni. Fall Parents Weekend, co-hosted with Pi Beta Phi, was a success. Thanks go to **Josh White** and his kitchen staff, **Betsy Clements**, **Jason Kuhlman** for helping with the socials, the treasurer, and the house managers for pulling off the top-notch weekend.

Texas Fiji is stronger than ever due in large part to your support. Thank you! We hope to see you back in Austin soon.

GTBO,
Tom Shirley PC '78
BCA Chairman

TEXAS FIJI CARRIES ON STRONG LEADERSHIP THIS FALL

Above: PC '14 with dads during Parent's Weekend.

My name is **Pierce Durham PC '14** and it is my honor to serve as president of the Tau Deuteron Chapter for the 2016-17 school year. The cabinet and I were put in a great position by the BCA and last year's leadership, specifically **Walker Shirley PC '13**, my predecessor. We are very proud of our Chapter involvement on campus, new member class, and philanthropy goals for the coming school year.

Campus Involvement

Though we dedicate much of our time to Fiji, the Chapter has always stressed the importance of extracurricular involvement. This year, eight of our members earned leadership positions in UT's Interfraternity Council, including **Will Deer PC '13**, who is the sitting president, and **Danny McNamara PC '14**, who is the sitting vice president. Fijis have taken active roles in service organizations as well, with **Luke Hart PC '13** taking over as president of Silver Spurs Service Organization and **Ryan Baumgartner PC '13** becoming president of Texas Cowboys. In addition to extracurricular involvement, the Chapter earned a 3.29 GPA, ranking eighth out of 29 fraternities on campus.

New Member Class

This year, Fiji took 53 new members from 16 different cities and four states. We took only the best leaders, decorated athletes, scholars, and men of high character to build upon the tremendous legacy of more than 100 years of Fiji men at UT.

Philanthropy Expansion

The Chapter has begun a new philanthropy initiative to support B+, an organization with low administrative costs that battles children's cancer through research and emotional support of cancer victims and their families. We hope to raise more than \$40,000 for this worthy cause and make a real impact in the fight to end childhood cancer.

I look forward to the honor and challenge of being president of this esteemed Chapter. The

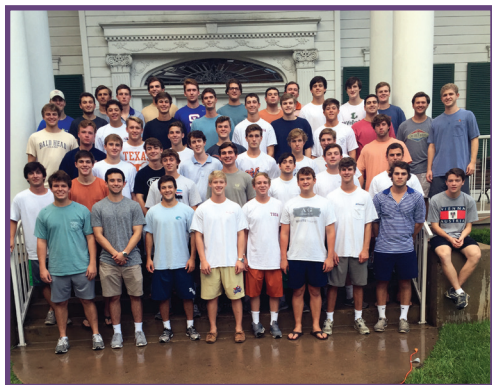

cabinet and I will work to maintain its legacy and ensure that generations to come will have the same opportunities that were afforded to us. I appreciate everyone's continued support and look forward to seeing you all soon.

Fraternally,
Pierce Durham PC '14

We Need Your Recommendations

As we look to recruit men of the highest caliber to Texas Fiji, we need your assistance. Please send names of high-achieving, UT-bound high school seniors to Rush Captain **Will Carney PC '14** at wcarney5@yahoo.com. Additionally, if you would like to make a donation to our recruitment efforts, please visit www.texasfiji.kintera.org/rush. We appreciate your continued support.

The Baker, Jeff and Ben Montgomery Emergency Loan Fund Made Available in Honor of Alumni

Established in 2016, funds were raised by **Roy Herberger PC '61** and his family and friends to establish The **Baker (PC '65) and Jeff (PC '91) and Ben (PC '92) Montgomery** Emergency Loan Fund. Roy was a former president of the Chapter and pledge trainer for Baker and his class. "We would like to honor Baker and his sons with this contribution. Baker and his family have done a great deal for UT and for Texas Fiji. It's time they are recognized with a program that supports our brothers in times of emergency or unplanned need."

These funds will be distributed in the form of an interest-free loan. The loan recipients are expected to repay the fund as they are able, and ultimately add to the fund to keep it growing in perpetuity for future Fijis. Thank you to everyone involved who made this opportunity possible.
